

ADDENDUM

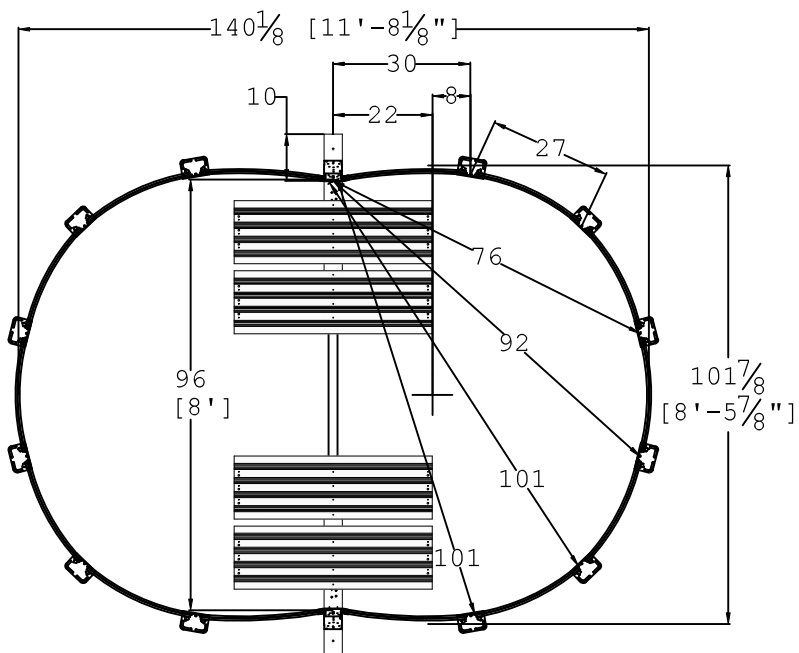

Oval Space Saver

INSTRUCTIONS

This addendum is intended to be
used along with the
Oval Installation Manual

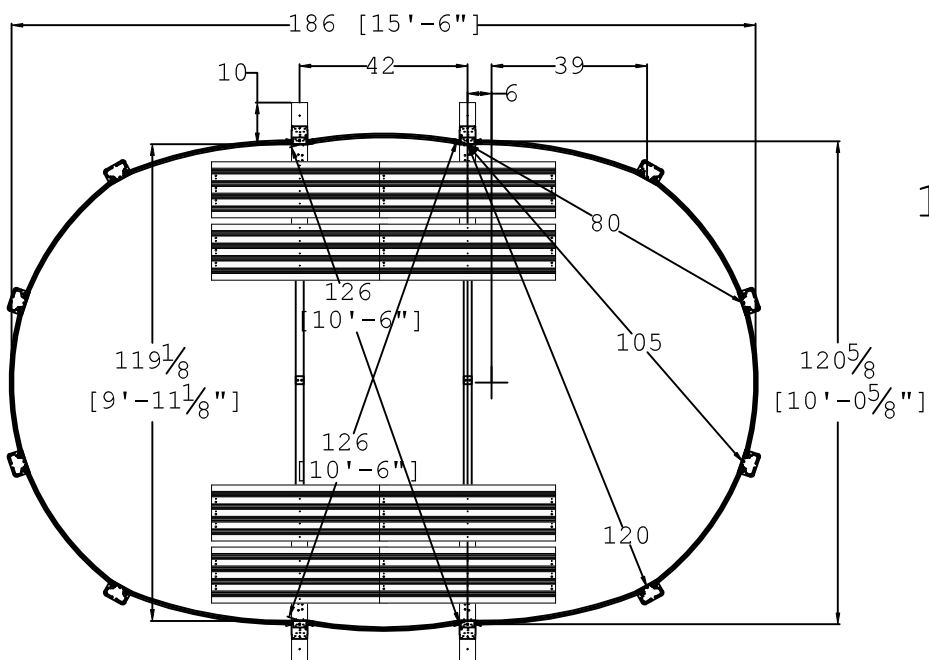

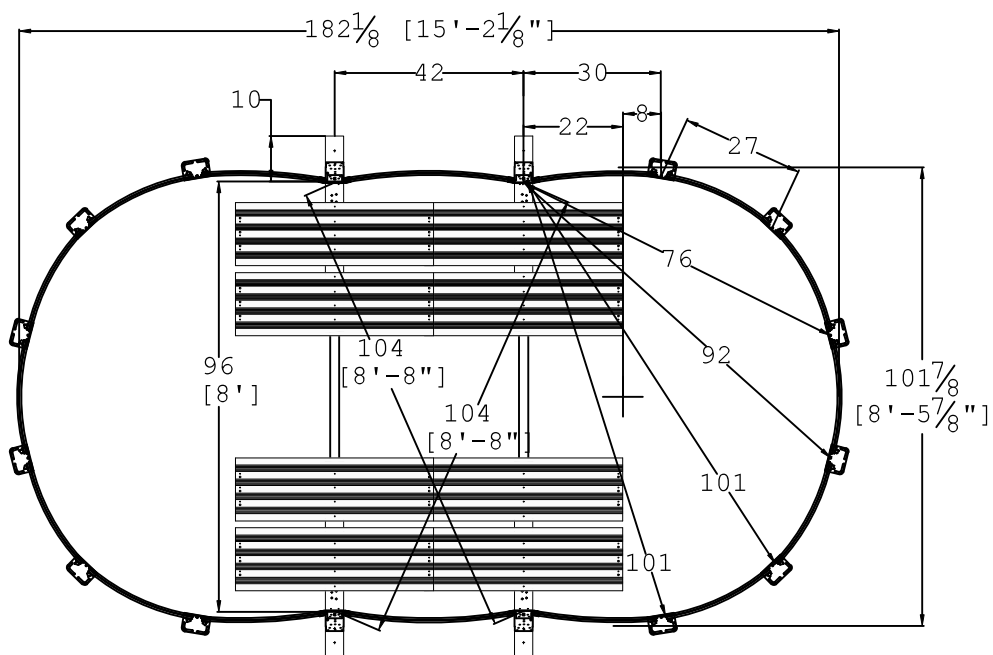

Congratulations on your purchase of The Space Saver System Oval Pool. The Space Saver System Oval pool (SSS) is assembled much like the Buttress Free System (Yardmore System). The main difference is the addition of the second pressure plate and the shorter base beam (see image on page 4).

Follow the regular pool installation instructions that come with your pool, however, please use the information contained in this document for part and assembly reference.
